Dear Parents,

Parent-child Reading Scheme
(for Morning class)

Our school encourages the parents to read books, tell stories, and share fun of reading with their children. It can improve their ability of language, broaden their knowledge and enhance the relationship between child and parent. We hope the parents help their children to foster good reading habit.

The scheme is proceeded as follows.

1. Our school lends two story books to students every month.
2. After the parent and student have finished reading the story book together, please guide the children to complete the book report.
3. Student is required to return the story book on the following Monday.
4. The school implements the parent-child reading scheme in order to enhance the reading interest and ability. In the meantime, parents may teach their children to take care the books. If the books are found damaged or loss, we may reserve the right to compensate the books.

Thank you for your kind attention.

Yours faithfully,

Cheng Ka Jung

Principal

I have read and understood this circular.
